- In the case of MBiPC candidates of CBSE, ranks in both streams will be given.
- Candidates who passed the qualifying examination in a single attempt are given first priority in the allotment of ranks.
- Ranks for compartmental/re-attempt candidates are generated subsequently.
- Tie-breaking in the MPC stream follows this order:
 - 1) Highest group total
 - 2) Highest marks in mathematics
 - 3) Highest marks in physics
 - 4) Highest marks out of 1000 if mathematics and physics are also equal
 - 5) The candidate born earlier is given the better rank if the tie is still not resolved.
- A similar procedure is adopted for the BiPC stream.
