Sri. U.V.S.N.Murthy,M.Tech,
Secretary,
State Board of Technical Education and
Training, S.V. Bhavan, Masabtank,
T.S.HYDERABAD –500 028.

To:
The Principals of all Polytechnics,
(Including Govt., Aided, Private
Polytechnics and Polytechnics in
Engineering Colleges).

Sir,

Sub :- SBTET-PRE-EXAMS-Supplementary and Regular C-18 Examination Question Paper Generation & Distribution (QPGD) - Request to make necessary arrangements for Trial Run in the Diploma Institutions from 8-6-2020 to 12-6-2020 -Reg.

SBTET used to obtain the Physical copies of question papers from the subject experts and the selected papers are printed by the Confidential Printer and Placed in EDEP Portal, this process is being repeated three times in a semester, which is a time consuming process for subject experts and SBTET. In order to minimize the time for preparation of Question Papers and avoid time delay Question Paper Generation and Distribution (QPGD) software module for the newly introduced C-18 Curriculum scheme was implemented.

The Branch Team Leaders are appointed for each branch and they in turn identified the Subject Experts, Moderators and Scrutinizers and prepared Question Bank, from this Question Bank the Question Papers generated online and placed in College logins, QPGD portal at URL qpgd.sbtet.telangana.gov.in instead of EDEP Portal.

Further, it is to inform that the Question Papers for C-18 II & IV Semesters Mid Sem-II are placed in QPGD Portal on experimental basis in the Month of February-2020 and it is observed that some of the colleges faced technical issues and could not properly download the question papers from QPGD portal. The Question Papers for C-18 Supplementary and Regular Examination scheduled in the month of July-2020 will be delivered in Question Paper Generation and Distribution (QPGD) portal.

In this connection, all the Principals are requested to make necessary arrangements to make Trial Run in their Institutions which is scheduled to conduct from 08-06-2020 to 12-06-2020, Decrypt the Question Paper, download and print of Question papers and get acquainted with new QPGD Portal with their respective College login and Passwords and get ready for upcoming July-2020 Examination.
